STATUTORY COMPLIANCE OUTSOURCING (Employment & Labour laws)

ABOUT US

With its vast experience in statutory compliances and payroll outsourcing services, Rapport is ready to take over and manage all your compliance requirements so that you can focus on your core business activities. As part of our compliance services, we handle payroll compliance consisting of Provident Fund management, ESIC management, professional tax management and Labor Welfare Fund Management. Under labour compliance, we ensure you meet all the requirements of Shops & Establishment Act.

FOCUS ON CORE & LEAVE THE REST TO US

Is your business lost in a maze of Statutory Compliances?

Statutory Compliance Outsourcing is an ideal solution for businesses that believe in the power of staying focused on their core competencies, while remaining legally compliant.

End-to-End services for Statutory Compliance

In statutory compliance outsourcing to an experienced firm such as Rapport HR, you can ensure compliance without having to hire and maintain a separate department for it. Our clients find that our statutory compliance services are an ideal solution to be compliant in all aspects of statutes and labour laws.

What makes Rapport is the best enabling partner?

We provide various compliance services in a cost effective and efficient manner.

Our teams of Professionals are experts in Statutory Compliance services to provide Best Quality Statutory Compliance Services to our clients at a faster turnaround time.

Rapport HR's Compliance Services

With its vast experience in payroll and tax compliance, Rapport is ready to take over and manage all your compliance requirements so that you can focus on your core business activities. As part of our compliance services, we handle payroll compliance consisting of Provident Fund management, ESIC management, professional tax management and Labor Welfare Fund Management. Under labour compliance, we ensure you meet all the requirements of Shops & Establishment Act.

Automated Systems for Compliance

Our advanced data center process all compliance requirements on a regular basis. The software we use is of the highest standards and has been tested extensively to meet all compliance requirements. Our auditors check and re-check the results to ensure that payroll and labour compliance requirements are met to the full before your data is processed.

High-Quality Statutory Compliance Services

With our strict ethics and moral standards that we implement in all our operations, we ensure government rules and regulations are complied without any deviation. Our staff is trained to understand compliance requirements. We have experienced auditors who not only audit our working but also keep themselves updated with the laws and rules and regulations. We conduct regular internal training to our staff on compliance regulations. Our compliance services ensure that your operations are never disturbed.

High Levels of Security for Compliance

At Rapport, we ensure the highest levels of security for data and information maintained in any format.
